

ASBESTOS. MESOTHELIOMA. OCCUPATIONAL DISEASE THROUGHOUT GEORGIA.

Rob Buck represents asbestos and mesothelioma victims throughout Georgia and the Southeast. Buck, a Georgia native, has obtained the largest asbestos-related personal injury and wrongful death verdicts recorded in Georgia. Buck actively represents more mesothelioma victims in Georgia than any other firm or attorney and actively practices in all state and federal trial courts in Georgia, as well as before the State Board of Workers' Compensation.

With 28 years of experience representing catastrophically injured individuals, Buck is a veteran trial lawyer who works tirelessly to achieve the best possible outcome for every client. Buck has successfully litigated product liability and premises claims against many of the largest product manufacturers, textile companies and chemical makers. While his care for clients is personal, Buck strives to make Georgia safer for all Georgians and their families.
